MEMORANDUM FOR: Chief of Naval Personnel
Department of the Navy

SUBJECT : Letter Report of Fitness of [redacted] STAT

STAT [redacted]

STAT 1. [redacted] has been serving under my direct supervision for the past 24 months as Executive Secretary of an inter-departmental Board of the National Security Council, of which I am Chairman. This Board is charged with the establishment of policies governing the coordination of specialized intelligence activities of the U. S. Government.

2. In the performance of his duties [redacted] has demonstrated STAT an exceptionally keen comprehension of the unusually complex tasks and decisions confronting the Board. His logical thinking and outstandingly sound judgment are of extreme value in focusing attention on the vital issues involved. His initiative and perseverance in devising solutions to problems, and his objective, forceful and diplomatic manner in reconciling diversified interests of members, contribute greatly to the fulfillment of the Board's mission. His superior qualities of leadership and administrative ability are evidenced in his conduct as Chairman of the Board's Executive Committee and in his direction of the USCIB Executive Secretariat, in which capacities he enjoys the complete trust and confidence of his associates and subordinates. I am personally

STAT gratified to have [redacted] serving in his present assignment.

STAT 3. A memorandum from the Department of the Air Force commending [redacted] on his method of performance of his duties is attached hereto.
